## SELECT EXPERIENCE

---

- AT&T compliance with third-party CID related to the UScellular and T-Mobile transaction (2025)
  - In support of Michael Sabor, assisted in compliance efforts and data submissions to DOJ
- Technology company investigation by Mexico’s antitrust agency (2025)
  - In support of Jeremy Sandford and Jorge Padilla, assisted in data processing, analyses, and drafting independent report on market and competition in Mexico’s online retail
- For a merger in the live entertainment industry (2024)
  - In support of Loren Smith, assisted in Second Request compliance on behalf of the acquiring company
- Successful Acquisition of Viterra by Bunge (2024)

# ECONIC PARTNERS

- Assisted in Second Request compliance efforts on behalf of Viterra
- In the Matter of Kroger Company/Albertsons Companies, Inc. (2024)
  - In support of Michael Katz, produced data and analyses on competitive implications of Kroger's merger with Albertsons
- Successful Acquisition of VMware by Broadcom (2022–2023)
  - In support of Nathan Wilson and Jeremy Sandford engaging with FTC. Included coordination with additional Compass Lexecon and other economist teams across the globe, including Europe, the UK, and China
- Successful Acquisition of GCP Applied Technologies by San Gobain (2022)
  - In support of Nathan Wilson in global compliance efforts with various competition authorities
- American Express Global Business Travel/Egencia (2021)
  - In support of Jon Orzsag, assisted in submission of white paper to the DOJ on the competitive implications of American Express' acquisition of Egencia
- Ex Libris/Innovative Industries Inc. (2020)
  - Assisted in developing econometric and qualitative evidence that the acquisition would not harm competition due to little head-to-head competition between the merging parties
