SELECT EXPERIENCE

Mergers

DNOW Inc./MRC Global (2025): Assisted counsel in receiving regulatory clearances from antitrust regulators in the United States, the United Kingdom, and Norway.

Circana/NCSolutions (2025): Presented economic analyses to the U.S. Federal Trade Commission and assisted counsel in responding to Second Requests issued by the FTC.

GetGo/Circle K (2024): Assisted counsel in responding to requests from FTC Staff and analyzed overlap in Alimentation Couche-Tard's (parent company of Circle K) acquisition of GetGo.

Southern Veterinary Partners/Mission Veterinary Partners (2024): Presented economic analyses to the U.S. Federal Trade Commission related to the merger of two providers of veterinary services and assisted both parties in responding to Second Requests issued by the FTC.

The Home Depot/SRS Distribution (2024): Assisted counsel in responding to a voluntary access letter sent by the US Department of Justice, as well as provided economic analyses showing the parties sold to a unique set of customers.

ALDI / Southeastern Grocers (2023): Assisted counsel in the cleared ALDI / Southeastern Grocer deal.

ECONIC PARTNERS

Mavis/TBC Corporation (2023): Produced analyses showing that the parties faced significant pricing pressure from both national competitors and also local automotive dealers.

Trellis/CPS (2022): Submitted a co-authored paper to the US Federal Trade Commission on the competitive implications of a merger in the specialty pharmacy services industry.

Consumer Products Merger (2022): Produced demand estimation analyses and summarized qualitative evidence on the economic implications of a consumer products merger.

VetCor/People, Pets & Vets (2022): Assisted counsel in preparing concentration analyses and maps that were submitted to the Agencies.

American Express Global Business Travel/Egencia (2021): Submitted a co-authored paper to the US Department of Justice on the competitive implications of American Express' acquisition of Egencia.

Accelerate360/Bauer Media Group (2021): Developed evidence that the acquisition of Bauer Media Group's US magazine business by Accelerate360 would not lead to anticompetitive concerns.

Ex Libris/Innovative Industries Inc. (2020): Developed econometric and qualitative evidence that the acquisition would not harm competition due to little head-to-head competition between the merging parties.

GlaxoSmithKline/Pfizer (2019): Produced detailed econometric results that showed little competition between the parties' brands, and strong pricing constraints from generic medications.

Keystone Foods/Tyson Foods, Inc. (2018): Produced economic analyses in support of the Keystone Foods/Tyson Foods, Inc. merger.

Agilent Technologies/Advanced Analytical Technologies, Inc. (2018): Led a team in Washington, DC that analyzed the Agilent Technologies/Advanced Analytical Technologies, Inc. transaction. Managed a team working through analyses showing that the parties' prices were constrained by other competitors and that the parties sold to a unique set of customers.

Skyline Corporation/Champion Home Builders (2018): Produced economic and econometric analysis in support of the Skyline Corporation/Champion Home Builders transaction, providing evidence that a posited market of only factory-built houses was too narrow, and that the parties' prices were constrained by a myriad of other options.

ECONIC PARTNERS

FanDuel/DraftKings (2017): In support of a team working with the Federal Trade Commission (FTC), and prior to the parties' abandonment of the proposed merger, produced economic and econometric analyses to be used against the proposed FanDuel and DraftKings merger.

SC Johnson/People Against Dirty (2017): Produced economic and econometric analyses that were presented to the FTC in support of the SC Johnson/People Against Dirty merger. Managed a team in producing diversion ratios and GUPPIs, showing substantial substitution between "green" and "non-green" brands.

Maple Leaf Foods/Field Roast Grain Meat Co. (2017): Assisted in producing demand estimation econometric analyses that were presented to the FTC in support of the Maple Leaf Foods/Field Roast Grain Meat Co. merger. Managed a team working on analyses that showed substantial substitution between frozen and refrigerated products.

Entercom/CBS Radio (2017): Produced economic analysis that was included in a letter to the FTC in support of the Entercom/CBS Radio merger.

Potash Corp of Saskatchewan/Agrium Inc. (2016–2017): Produced demand estimation and time series econometric analyses that were presented to the Department of Justice (DOJ) in support of the Potash Corp of Saskatchewan/Agrium Inc. merger.

Henkel AG/Sun Products Corp. (2016): Produced economic analyses that were presented to the DOJ in support of the Henkel AG/Sun Products Corp. merger.

Chicken of the Seas and Bumble Bee (2015): Produced economic analysis and assisted in the preparation of presentations to support the attempted merger in the canned tuna marketplace, between Chicken of the Seas and Bumble Bee, before the FTC.
