JOEL H. MOORE

Principal Economist
385.261.8942 (mobile)
jmoore@econic.com

Joel Moore is a Principal Economist at Econic Partners with extensive experience in antitrust and competition economics. His work focuses on analyzing competitive effects, damages, and class certification issues in complex litigation and regulatory matters. He has supported expert testimony and economic analysis across a wide range of industries, including technology, healthcare, telecommunications, financial services, and pharmaceuticals. Mr. Moore has significant experience working with large-scale datasets and developing economic analyses to inform high-stakes disputes, including matters involving monopolization, price-fixing, and merger review.
