Economic support to Baker Hughes during Phase II investigation by the European Commission. Merger abandoned.

Assistance with replies to RFIs. Analysis of unilateral effects using bidding data.

Liberty Global (Telenet)/Base (2016, telecommunications)

Advised a third party during Phase II investigation by the European Commission. Cleared conditionally.

Analysis of horizontal and conglomerate effects on mobile and fixed telecommunications markets in Belgium.

ECONIC PARTNERS

Antitrust

De Neuville (2024)

Advice to chocolate manufacturer De Neuville in context of an Article 101 TFEU investigation (vertical restraints) by the French NCA in sector of chocolate manufacturing.

Electrical appliances (2018-2024)

Assistance to an electrical equipment manufacturer under investigation by the French NCA for a potential infringement of Article 101 TFEU (RPM). Empirical assessment of the price impact of a RPM. Drafting of expert report in response to the SO.

Household appliances/White goods (2023)

Advice to Electrolux during an Article 101 TFEU investigation by the French NCA in the sector of household appliances. We assessed horizontal (RPM and information exchange) and vertical relations. Drafting of expert reports.

La Poste (2020, parcel deliveries)

Advised La Poste during abuse of dominance investigation by the French NCA. Pre-emption of delivery points, predatory pricing, loyalty rebates. Commitments accepted.

Technical notes, objective justification of behaviour, design of a “quasi-incremental” rebate scheme as commitment, presentation of conclusions at hearing.

TDF (2020, broadcasting)

Advised TDF during Article 102 TFEU investigation by the French NCA, following complaint by Towercast. Abuse of dominance not established.

Analysis of TDF’s strengthened dominant position regarding broadcasting services to digital terrestrial television channels, including upward pricing pressure analyses.

Tickets restaurants (2019, meal vouchers)

Advised one of the meal voucher issuers during Article 101 TFEU proceedings in front of the French NCA. Information exchange and raising barriers to entry.

Examination of economic foundations of the claims.

Fruit-compote manufacturers (2019, food)

Economic support to a supplier of apple deserts (manufacturer of private labels) during Article 101 TFEU proceedings in front of the French NCA.

Analysis of economic impact of the collusive practices.

ECONIC PARTNERS

Paylib (2018, financial services)

Analysis of business model and compliance with Article 101 TFEU.

Engie (2017, natural gas)

Advised Engie during abuse of dominance investigation by the French NCA. Complaint by natural gas market entrant Direct Energie. Alleged cross-subsidisation between Engie's market and regulated offerings and alleged predatory pricing in tenders by SMEs. Investigation closed under settlement procedure.

Design of commitments, through ex-ante and ex-post price tests, to ensure no cross-subsidisation and no predatory pricing.

French car rental companies (2017, car rental)

Advised Groupe Avis during Article 101 TFEU investigation by the French NCA. Alleged information exchange between car rental companies at airports in France. Investigation dropped without fines (Decision 17-D-03 of 27 February 2017).

Statistical analysis of behaviour and market outcomes.

French parcel delivery services (2015, parcel delivery services)

Advised Chronopost/Exapaq (subsidiary of Groupe La Poste) during Article 101 TFEU investigation by the French NCA and subsequent appeal. Alleged price fixing. Décision n°15-D-19 of 15 December 2015.

Economic analysis of price impact and value of sales.

French home care and personal care products France (2014)

Economic advice in relation to the allegation of economic harm caused by an information exchange with other manufacturers in the sectors of home care and personal care products in France.

Litigation and Damages

Umicore vs Rheinzink (2023, roofing products)

Assistance to expert for expert report and expert testimony for Umicore in commercial litigation in front of the Paris commercial court brought by Rheinzink, following Article 102 infringement decision by French NCA in 2016.

Colas vs MAN (2022-2023, trucks manufacturing)

Assistance to expert for expert reports for MAN in commercial litigation brought by Colas following Article 101 infringement decision by European Commission in 2016 (case AT.39824) before Lyon commercial court.

ECONIC PARTNERS

Lactalis (2020, dairy)

Economic support to Lactalis during damages proceedings following a cartel in the sector for fresh dairy products in France (fined by French NCA in March 2015).

Two expert reports rebutting damages claims by retailer company Cora and its purchasing unit Provera, using multinomial regression analysis for the overcharge, present value scenarios, and pass-on defense. Testimony during Court hearing at Paris Commercial Court. Court rejected all damages claims.

EDF vs ENGIE (2020, energy)

Advised Engie during legal proceedings before the Nanterre Commercial Court and the Court of appeal of Versailles initiated by EDF, claiming unfair business practices. Critical analysis of EDF's damage estimations. Court rejected most of EDF's claims.

Republic of Croatia (2019, postal)

Competition expert witness in international investment treaty arbitration (ICSID Case No. ARB/15/5), regarding alleged distortions in implementation of postal regulation in Croatia. Replies to expert submissions by claimant, testimony at oral hearing. Our client was found liable, but no damages were awarded.

Supermarket (2019, retail)

Assisted Eastern-European supermarket chain during legal proceedings before the Commercial Court of Vilnius, following a damage claim related to foreclosure practices.

Tangoe (2019, digital)

Assisted Tangoe, during ad hoc arbitration following a breach of agreement by Neobis.

Canal+ (2018-2019, broadcasting)

Assisted Group Canal+ during IP litigation in front of the International Chamber of Commerce with the owner of Electronic Programming Guide opposing Canal Plus and group TIVO (formerly Gemstar/ROVI). Analysis of economic basis for counterclaim based on a MFN clause in licensing contract.

Scoring method water tender (2018)

Litigation before an administrative appeal court in France.

Analysis of economic underpinning of scoring method used in tender of water cleaning operation.

Gaz Réseau Distribution France vs Direct Energie (2016-2018, energy)

Advised GRDF during damages litigation before the Tribunal de Commerce de Paris, initiated by Direct Energie.

ECONIC PARTNERS

Bahrain Steel (2016, steel)

Support in context of international arbitration (LCIA) regarding an iron ore supply contract.

Regulation

South African telecom regulation (2018, telecommunications)

Economic report analysing amendments to the telecommunications regulations proposed by ICASA (Independent Communications Authority of South Africa).

Power Market Design and Capacity Mechanism Reform in Greece (2015, energy)

Series of studies for Greek generator PPC on the design of the Capacity Remuneration Mechanism and the design of the power market in Greece.

Assessment of economic consequences of different contract lengths, review State Aid implications, and support in the design of a mechanism to regulate third party access to assets of the Greek incumbent.

Other

Air France-KLM (2021, aviation)

Economic advice to Air France-KLM during state aid investigation by the European Commission regarding a recapitalisation of Air France by the French State in context of COVID-19 crisis and its significant negative effects on the aviation sector.

La Poste (2019, postal)

Internal assessment of a new commercial offer and its compliance with competition law.
